Dedication

The Senior Class takes great pride in dedicating the ECHO '84 to Mrs. Kathleen "Cookie" Bromage, a special lady who has put so much of her time and effort into our school. She came to Enfield High School as a student teacher and since then has given our school sixteen years of her life. Through her physical education classes and through her coaching of various girls' sports, Mrs. Bromage has shown us how to get along with one another on a team and has encouraged each one of us to strive for perfection. She has taught the students at Enfield High School that sometimes doing one's best is not good enough. She has helped students to reach inside themselves and find that special strength to rise about the rest. As a coach, she has brought her field hockey team into the state tournament for two consecutive years. She taught them perseverance and that even the best can fall. From one season to another her enthusiasm has never slackened. We know that she will always be there with her warm smiles and gentle hugs because she is one of those special few who has gone beyond being a teacher and has become a friend.

We, the Class of 1984, now prepare to move ahead to new chapters in our lives. We leave our past years at Enfield High School behind.

We will break away, and each one of us will follow an individual path, remembering old paths already traveled.

But as we start on our new highways in life, we will think of yesterday's dreams as they become a reality, and we will think ahead to what tomorrow's sunrise holds for us.

*Hold on to your dreams
Don't ever give in*

If you keep on trying

You're going to win

Hold on to your dreams

Though sometimes it's hard

Just hold your head up

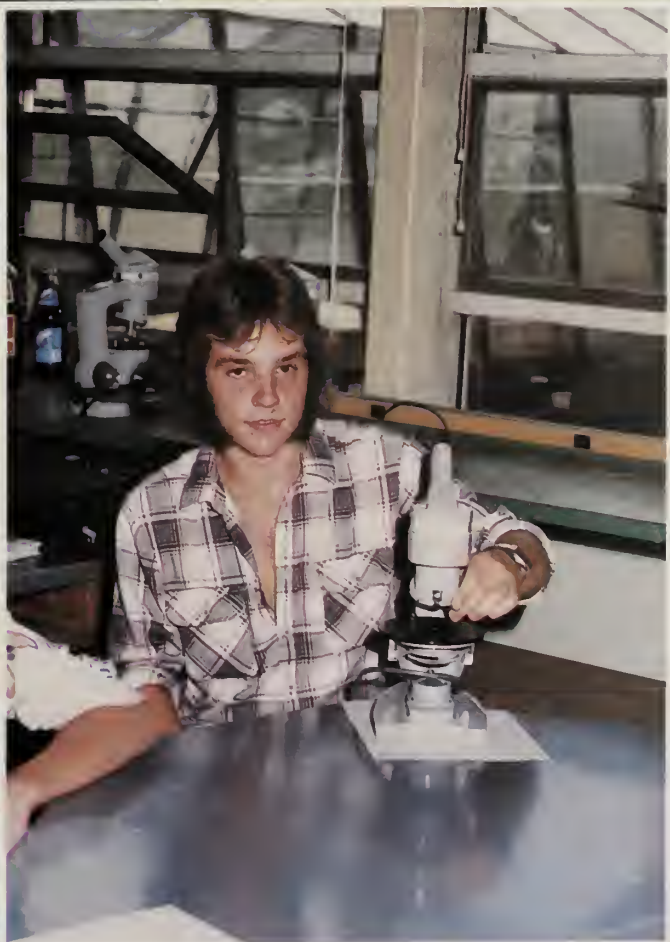

And reach for your stars

Hold on to your dreams

Though they seem far away

*And those dreams will come true
Somehow . . . someway.*

SENIORS

84

In September, 1981, when we entered Enfield High School each one of us came here with our own groups of friends and acquaintances. Separation existed among us all and unity was to be found nowhere. Now after three years of experiencing the same dilemmas and triumphs as other classmates, we have united and become the Class of 1984.

Throughout these three years of schooling it can be said that we all have encountered one door after another. Whether that door was making the grade for a tough academic course or trying out for a scholastic sport, the insecurities and doubts were there for each one of us. But everytime we passed the test by pulling together with our friends or by taking the challenges upon ourselves and reaching out to open that door. Now stands one more door- the door to our futures.

As your class president, I wish each one of you success and happiness along the path of life. I leave you with one last thought- when you are reaching out to open the doors in your future, remember your friends are near. Believe in yourselves, and anything is possible.

Edward Bassett

As a result of the increasing number of students electing to take science offerings and because of the continually increasing importance of scientific knowledge in today's technological society, the Science Department of Enfield High School continues to emphasize and offer the established curriculum.

The basic science curriculum of full year courses consists of:

BIOLOGY, PHYSICAL SCIENCE, CHEMISTRY, ANATOMY, and PHYSIOLOGY, and PHYSICS.

More comprehensive studies in Biology, Chemistry, and Physics are also offered as full year courses:

ADVANCED CHEMISTRY, ADVANCED BIOLOGY, and ADVANCED PHYSICS.

In addition, the Science Department offers semester courses in the following:

ECOLOGY, BOTANY, ASTRONOMY, I & II, and HEALTH.

Independent study is made available upon request for those students who have specific needs not met by the established curriculum.

We, the staff of the Science Department of Enfield High School, wish to offer our congratulations and best wishes to this year's graduating class.

The 1983-1984 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science classes. The Social Science curriculum has been designed to provide choices, to increase the possibility for students to make some meaningful contact with society, to identify and understand complexities in today's world, and to formulate responsible value systems for life in a diverse world.

In recognition of the vital roles that mathematics and computers play in our lives, the Enfield High School Mathematics Department offers a varied and extensive program of studies. The offerings range from practical courses for those students who desire proficiency in basic skill areas to theoretical courses for those who will pursue the study of mathematics and computers beyond high school. It is hoped that the students of the 1984 graduating class have gained an understanding of the relevance of mathematics and computers to everyday experiences, and will pursue their studies to the highest level of their abilities.

The Foreign Language Department at EHS has continually encouraged students to study a foreign language not only to extend their knowledge of other cultures, but also to improve their potential in the world. In addition, the Foreign Language Department feels that learning other languages helps one understand and use his own language more accurately and effectively.

French, German, and Spanish are taught in an approach that is audio-visual with emphasis on the sounds of grammar patterns of the spoken language. Latin is also presented in a dynamic manner with audio-visual materials that help the student to develop a better cultural understanding of classical antiquity and its implications in the present.

Family Living

Regardless of ethnic and economic backgrounds, we all share certain commonalities; we are all part of a family, and we are all consumers. However, many individuals do not have an opportunity to understand or develop the skills necessary to deal with problems related to ourselves, our families, and society in general. The department of Family Living and Consumer Education focuses upon the individual and seeks to develop self-awareness through a variety of courses dealing with many aspects of our personal and social lives.

Offerings include Independent Living, Family and Society, Exploring Parenthood, and Interior Design, as well as courses in the areas of food and clothing.

The Guidance Department, in concert with the other departments at Enfield High School, stresses the acquisition of skills and the development of habits concerning self analysis, decision making, and perspective analysis planning.

Our main goal is to guide the students in examining their abilities, capabilities, interests, attitudes, habits, and volitions.

We must specifically focus on the students' approach to life and a life of learning through job career and college identification, understanding and pursuit. We have expansive resources available to the students in these areas.

Music

Marc Spruill

Mr. Leonard DeMaio, Mrs. Tracy Carne, Mr. Rocco Autorino.

Tracy Ishler, Shaun Gordon, Chris Rudolph

Under the direction of Mrs. Tracy Carne, the instrumental music department offers a wide variety of performing opportunities. Courses include Marching Band, Concert Band, Jazz Ensemble, and several small chamber ensembles. These groups perform throughout the school year and have represented our town and school in and out of state.

The classroom curriculum is aimed to accommodate three different kinds of students: the general student, who may include the History of American Music of Electronic Music in his studies; the college bound liberal arts and elementary education majors; and the advance music majors, who would study music theory and composition under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino, an accomplished vocalist in his own right, is in the director's chair when our mixed and select choruses take to the risers for a performance. The vocal class which he conducts helps the student gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice.

Art

Mr. Newell Murri, Mrs. Barbara Kemnitzer

Mike Malick

This was a dynamic year in the Art Department. The students were provided with the opportunities to acquire basic skills as well as difficult concepts. This enabled all individuals to exercise their creative abilities. Student art work was continuously on exhibit throughout the building for the pleasure of the entire student body and staff. This has been a good year for field trips and guest speakers as well.

We know that this year filled with change and challenge has helped the students of Enfield High School to grow and develop their self-expression. We will miss those of you who are leaving us and hope you will carry fond memories of our Art Department.

Mrs. Kathleen Bromage

Miss Kathleen Gendall

Mr. John Skyeck

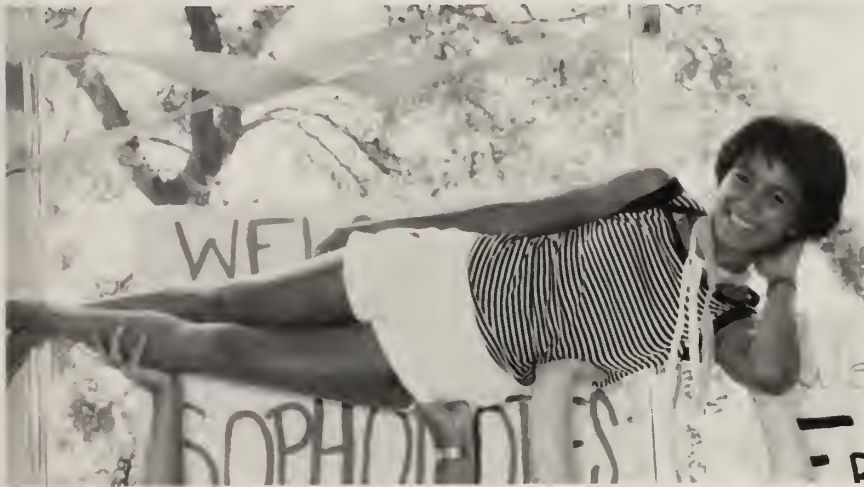

Mr. Bernie Ward

In an attempt to meet the changing needs and interests of students, the Physical Education Department offers a wide variety of activities. These activities include many individual and team sports.

Tenth grade students participate in a structured program which includes both team and individual sports with emphasis on fundamentals and knowledge to prepare them for selection of activities as juniors and seniors.

Juniors and seniors are required to take physical education and also have the opportunity to select from a wide range of activities that are offered. The emphasis at this level will be to further acquaint students with numerous activities and to help define their skills for a lifetime of physical activity.

We were very fortunate to have three such affable exchange students this 1983-1984 school year. We will miss Anders' intelligence, Kevin's artistic ability, and Tom's humor. But, most of all, we'll miss the friendship that many shared with each of them.

Football

The Enfield High Football team ended its season at 2-8-0, thanks to the coaching of Jack Stacio and Tom Defilipi and the managing of Holly Stankiwicz, Laura Sizemore and Brian Murtari. The mighty Raiders had a very successful season by defeating cross town rival Fermi (22-6) and Wethersfield (22-18).

A special thanks goes to our dedicated seniors who showed their determination and teamwork against some of the toughest teams in Connecticut. Under the supreme leadership of Captains Dave Emery and Gary Ciampoli our team fought their way to an excellent finish. H.S.

In Memory Of George Kauffman

"Linc"

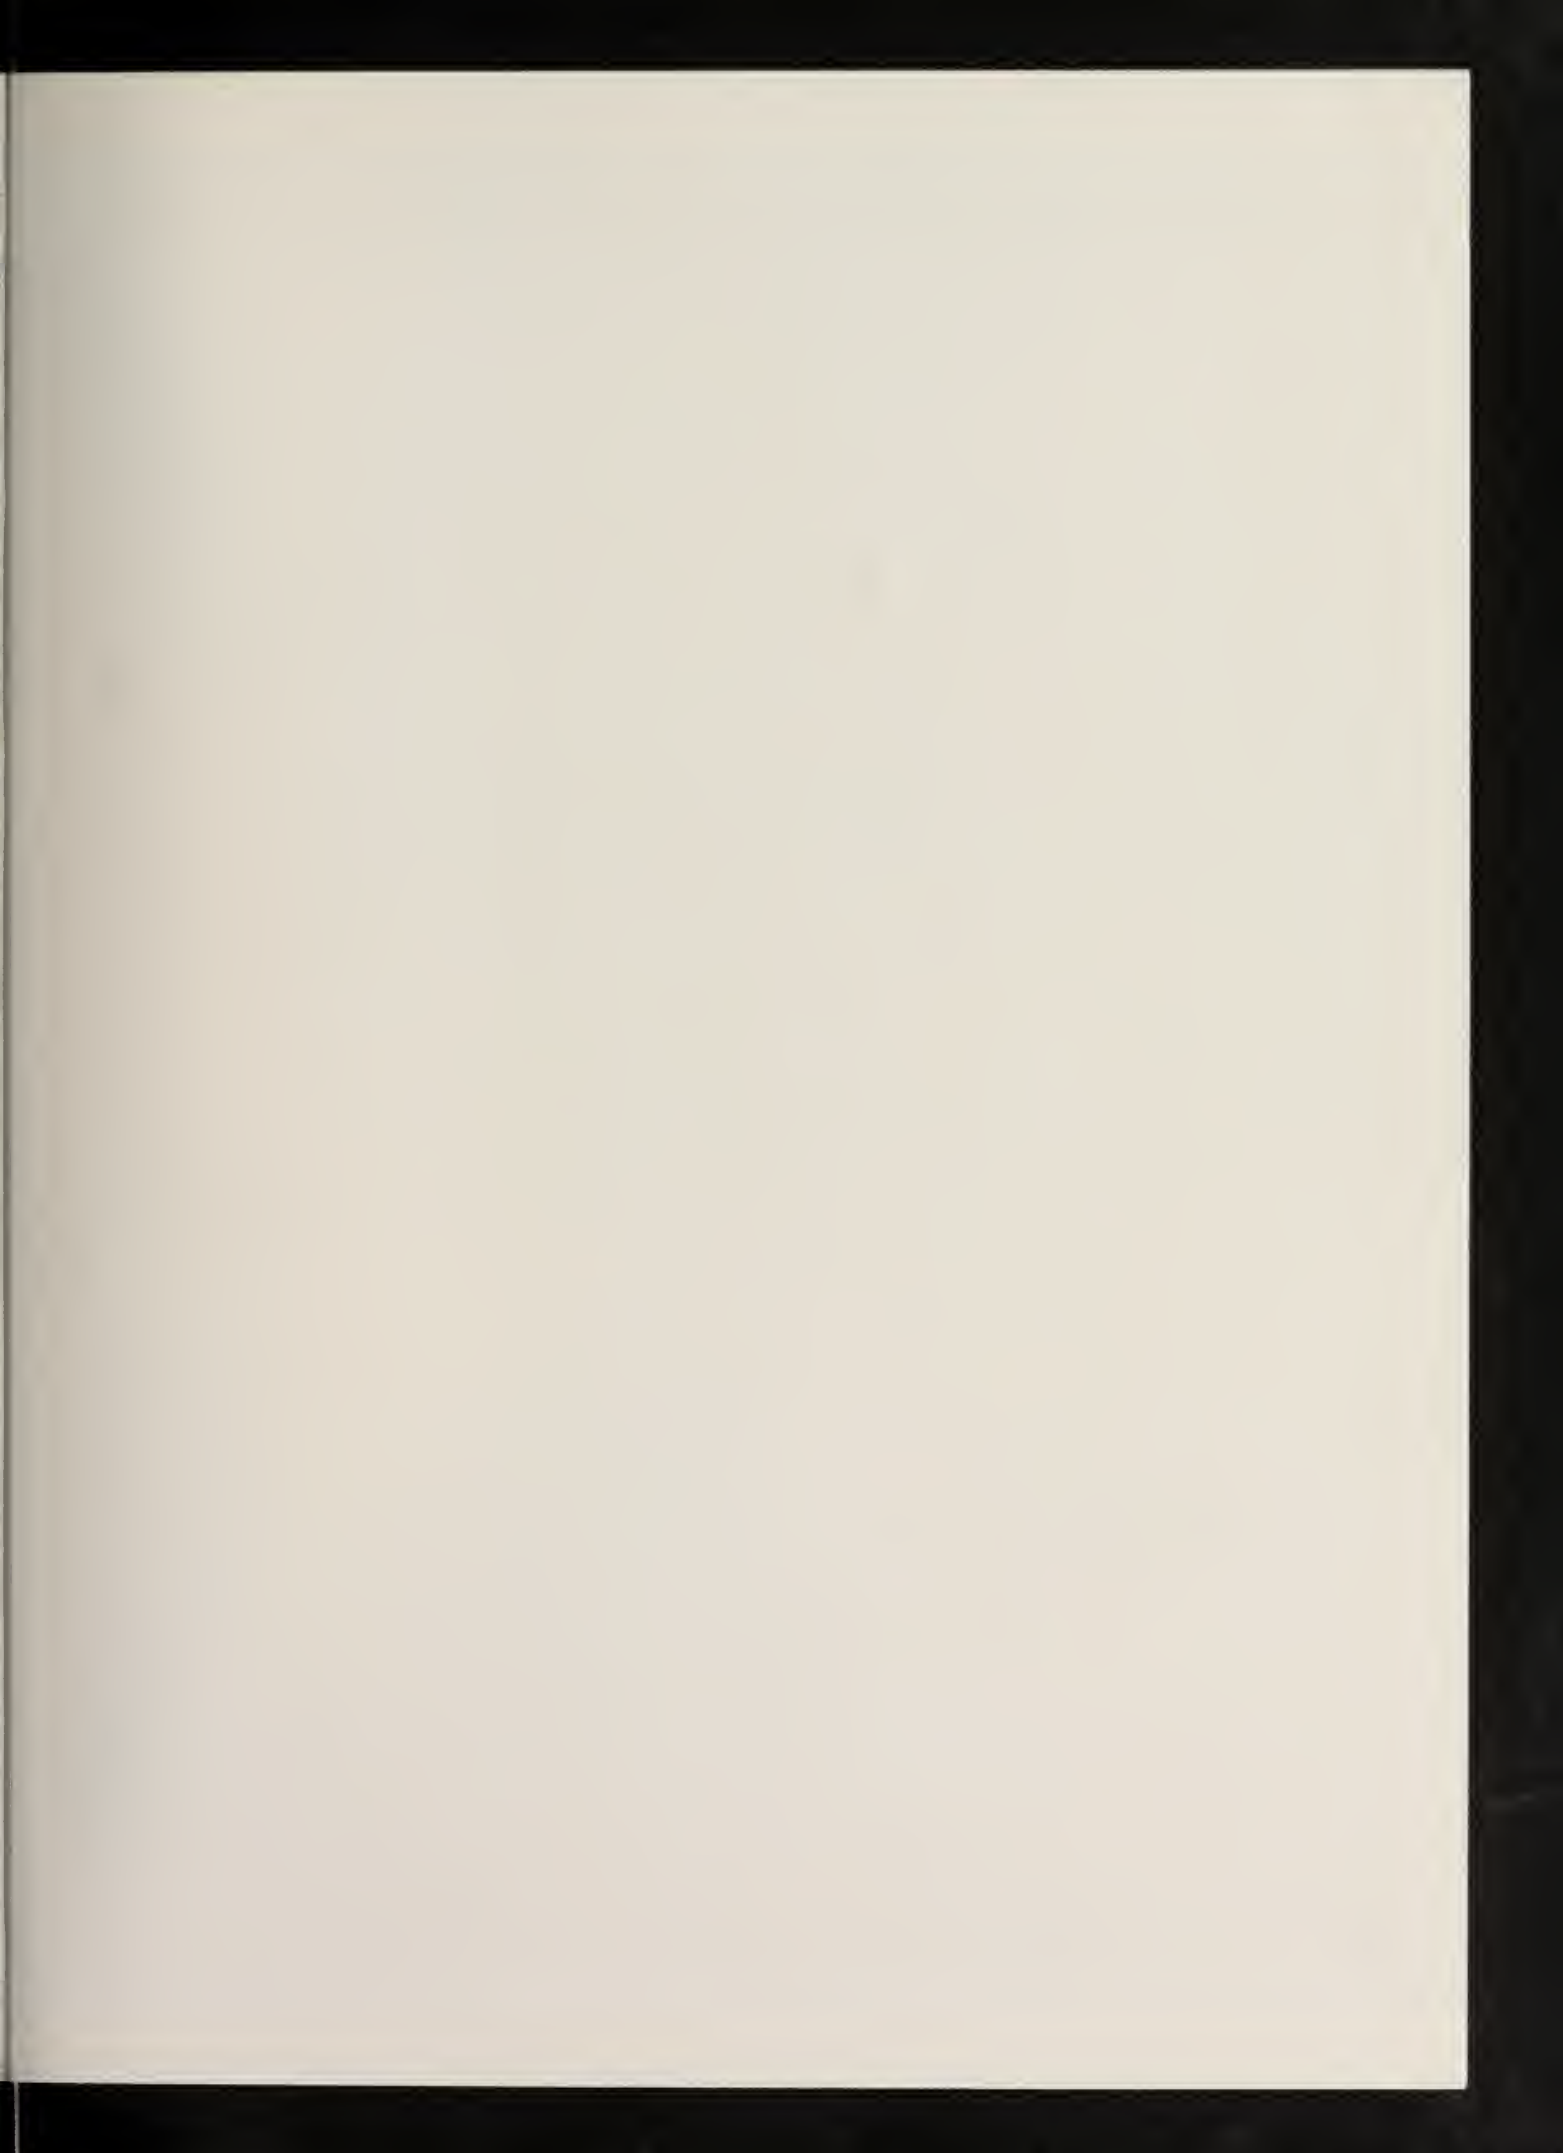

*And while he rests in peaceful sleep
His memory we shall always keep.*

*We often sit and think of you-
All the things we planned to do,
The times we laughed and had such fun,
The places we've been and the things we've done.*

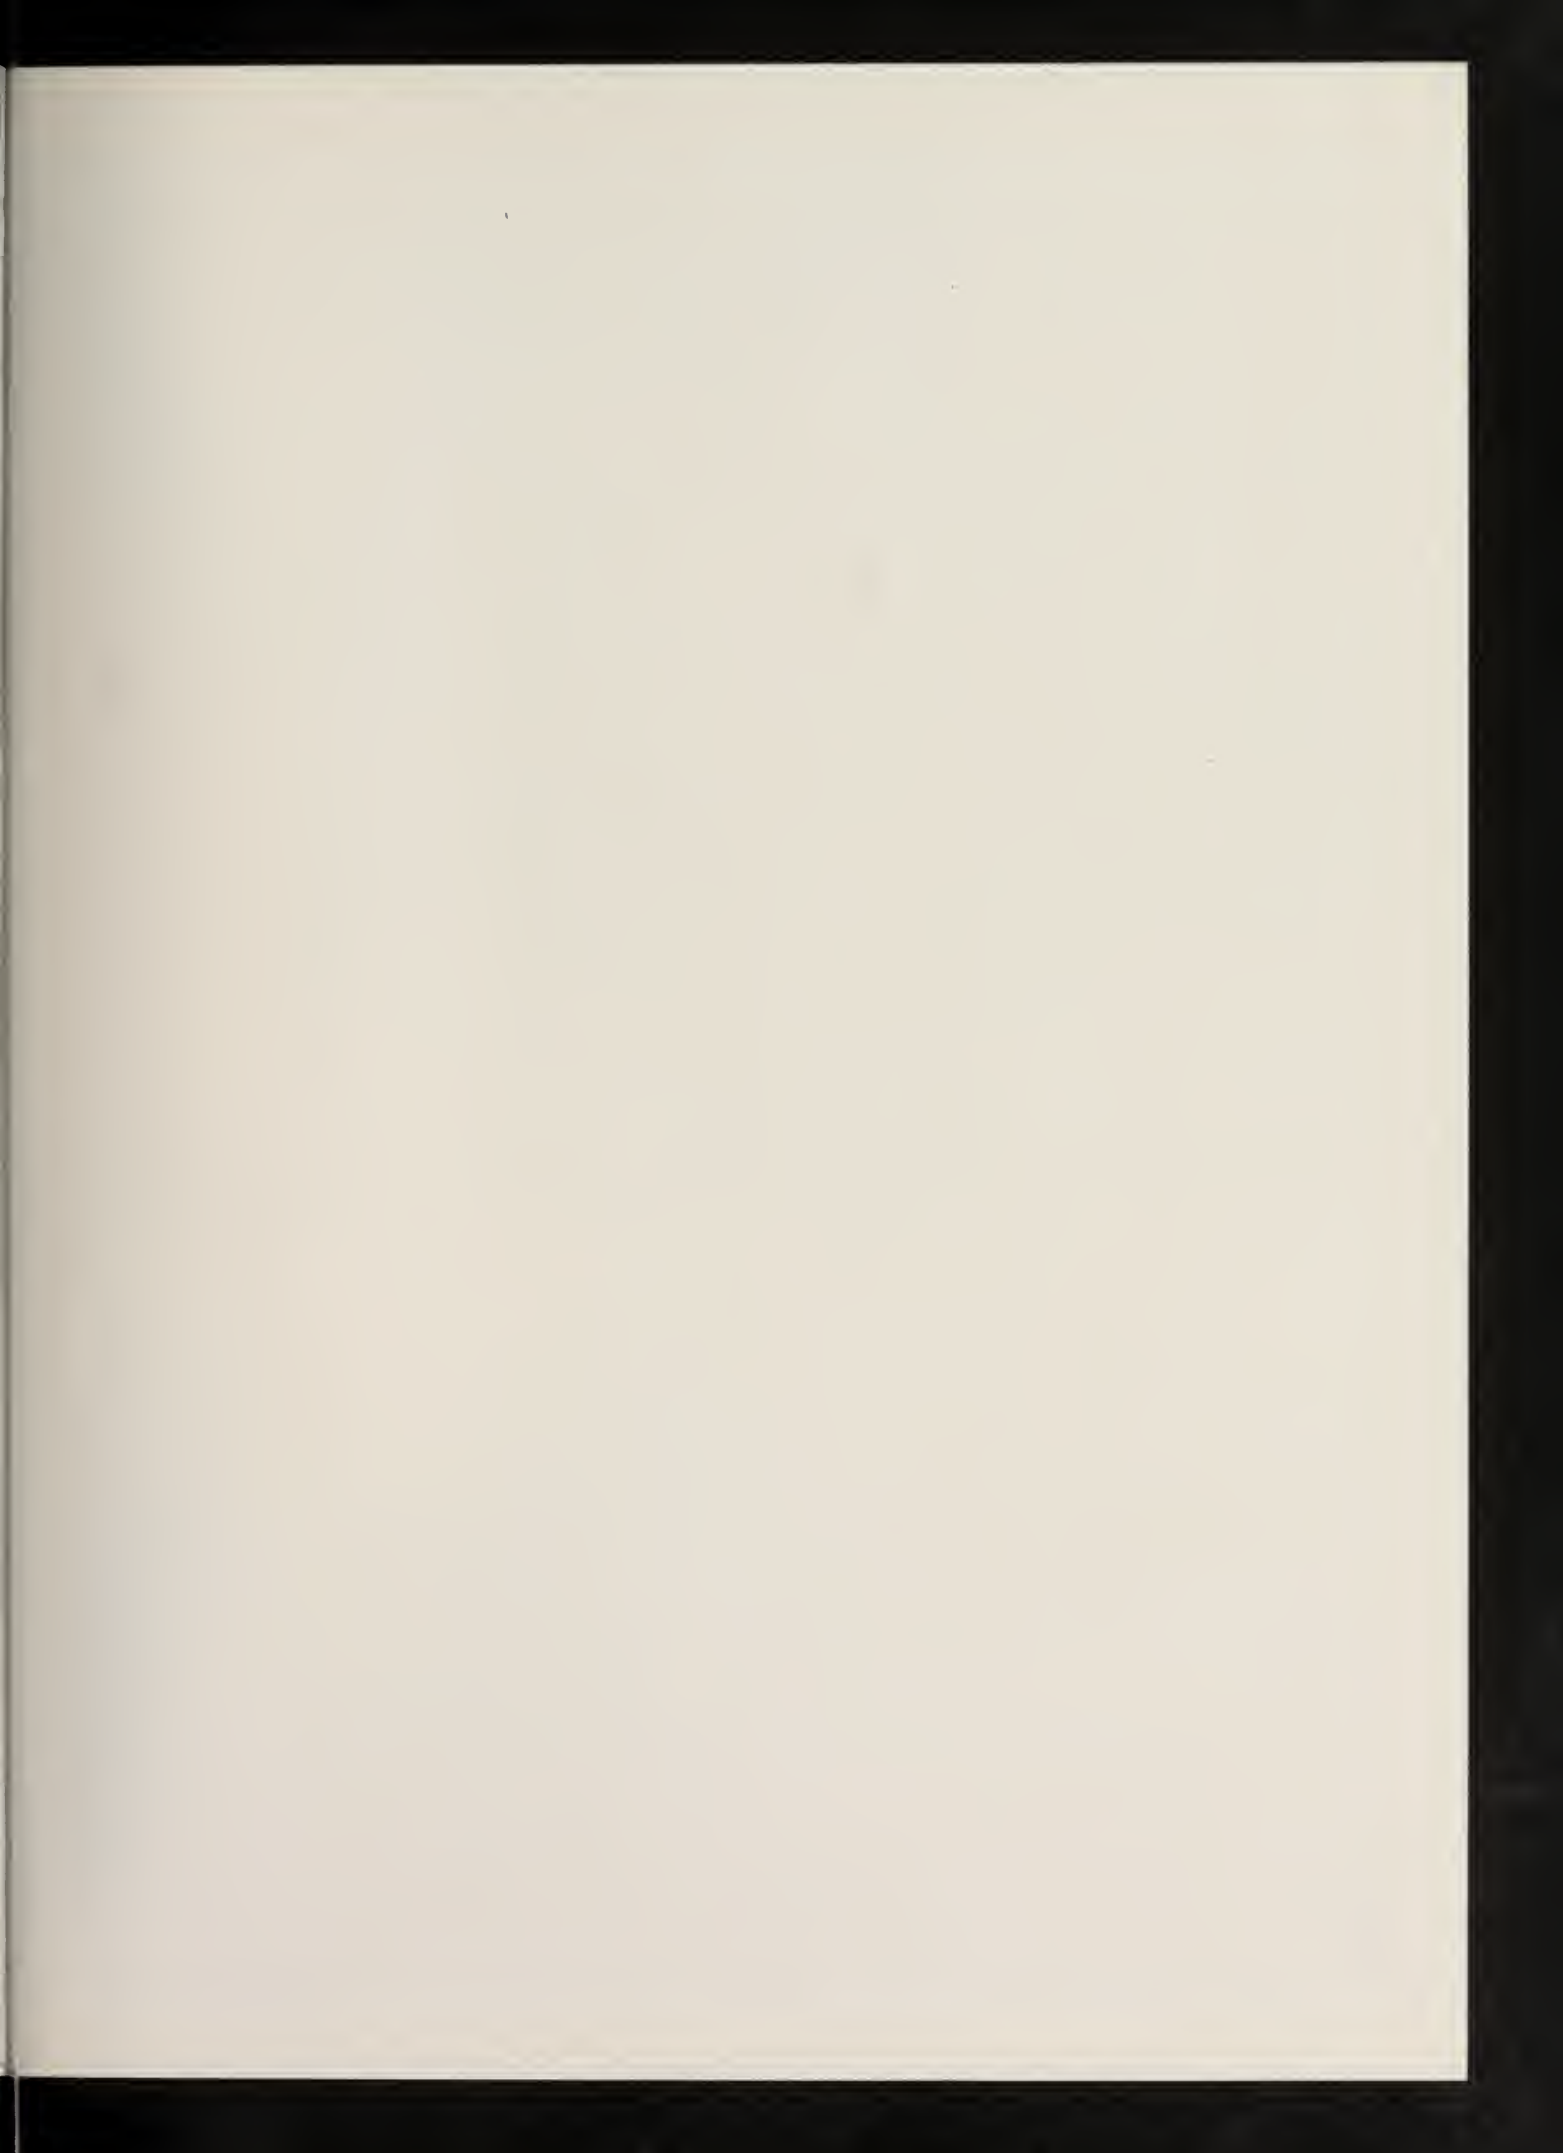

*You touched us all in different ways
But now God has taken you away.
All the memories were left behind,
Visions of you that sparkle and shine.
From these memories we will never part,
You will always be within our hearts.*

*Your friend forever,
Beth Anderson*
